Christina Franz, Director of Special Education and Student Services

6th Grade Humanities:

RGA is seeking a FT NYS Certified Teacher to teach Humanities to 6th grade students. Our school has an interdisciplinary curriculum built around a cultural history core and provides an extended day of instruction. We offer a collaborative learning environment with a competitive salary and comprehensive benefits. Professional development is exceptional. Candidates must have NYS certification in Elementary Education, preferably with a middle school extension in Social Studies or English. Experience is required.
